FOOD ALLERGIES AND INTOLERANCES

We use known allergens in our kitchen to prepare and cook our food. We also cook different items in the same equipment. We cannot eliminate all risks of cross contamination, all dishes may contain listed or unlisted ingredients, meat/fish dishes may contain bone.

TANDOORI SELECTION

The tandoor is an oven made of clay, shaped like a dome to concentrate the heat inside which in turn allows food to be cooked very quickly thus retaining most of the natural juices and flavours. Food is typically skewered and placed vertically that allows oils and fats to drip off giving you a much healthier meal.

Served with salad and mint yoghurt sauce.
